USA and Alumni Happenings

Alumni Event—Annual Basketball Game

March 1 brought alumni from near and far to the Union Springs Academy gym for a fun-filled afternoon basketball game. After a little warm-up time in the gym and time to strategize and assess the competition, the players were ready to go.

Darrin Caster '89 and Patty Dunham '85 welcomed the teams and made announcements, followed by the National Anthem, heartfully sung by senior, Daniel Arriola. Joe Foote

'92 led out with prayer and then the game was off to a fast pace with both teams racing down the court for a strong start.

During the game several Alumni Association officers were on site to sell refreshments, pizza, and homemade cookies, as well as mingle and visit with the alumni, guests, and families. After an

intense, well-matched game, the students finished in the lead, with the USA Eagles students beating the alumni 68 to 48. Thanks to all who were able to come and participate to make this a memorable, enjoyable event!

What's New at USA?

- January took our basketball teams to Andrews University for the annual Newmyer Classic tournament. Our students had an amazing experience, while staying with alumni—Ralph and Virginia Trecartin, as well as Dr Brian Strayer, who graciously opened their homes.
- Mission Dominican: In early February our students traveled to the Dominican Republic to help with building restoration and evangelism. God blessed and used our students in a mighty way.
- The mission trip was immediately followed by a Week of Prayer, led by USA student, Daniel Arriola. We are praising God for a number of students who made the decision to be baptized.
- Our USA choir blessed several churches with performances during the months of January and February—including Rochester and Utica churches.
- From February 27-29 the New York Conference Music Festival brought dozens of students to our campus from throughout New York state to join together, making beautiful music.
- Due to the local coronavirus requirements for schools to close, our students were required to return to their homes on Tuesday, March 17 to continue their studies online. Check out our alumni Facebook page to hear students singing the school song at their last chapel together and for other updates! Please keep us in your prayers.
